Subject: FW: Reissues counted - NOT MAILED

Below are the reissues from our area that on the overdue list. Would you all please fill in the comments column for your art unit (as well as the units that you are acting for) and indicate the current status of these cases and date (i.e. awaiting SPRE review as of 1/15/07; or with exr for corrections 1/24/07; etc). The date would can be the date you checked with the exr on the status or if you know that the exr turned the case in to the SPREs in Nov of 2006 for example - that would be appropriate to list).

Please email the completed list back to me with cc to Betty by COB this Friday. Thanks !
